Track 1

The compact disc will make learning with this book easier and more enjoyable. This symbol will appear next to every example that is on the CD. Use the CD to help ensure that you are capturing the feel of the examples, interpreting the rhythms correctly, and so on. Use your balance control to take the bass out of the mix, so that you can play along with the guitarist by yourself. The track numbers below the symbols correspond directly to the example you want to hear. Track 1 will help you tune to the CD. Have fun!
