String Bass	5

Bring the spirit of a rich and diverse culture to your students and community while providing a great learning opportunity. Written to recognize the indigenous peoples in this nation, the haunting melody captures the many trials they have encountered. The “heartbeat” that opens the piece is reminiscent of the American Indian drum, and the entire piece incorporates rhythmic changes as well as an imitation of the call-and-response pattern found in many traditional tribal songs. Every section has a chance to shine.
