

MILLS ON THE MERRIMACK

Robert Sheldon

A city on the banks of the Merrimack River, Lowell has a history rich in the traditions of the Irish settlers who lived and worked in this bustling Massachusetts mill town. *Mills on the Merrimack* presents a musical portrait of this region. Opening with a view of the river on a misty morning, the music flows with the river into the city of Lowell, where industry and the Irish heritage of its settlers are represented. These two main musical themes are then brought together in a way that depicts the bond between the city and its founding citizens.

Mills on the Merrimack was commissioned by the New England Junior Wind Ensemble at the University of Massachusetts, Lowell, Massachusetts, Debra-Nicole Huber, Conductor.
