

AFTERLIFE

Rossano Galante

The composer writes: "Since the beginning of time, man has pondered what happens when our physical body dies. Some believe we go to Heaven. Others doubt its existence entirely. Then there are those who have had near-death experiences and live to tell their stories. For me, I have always hoped that when we pass it will be a very peaceful experience. It is this belief that has inspired me to compose *Afterlife*. This composition starts delicately as peacefulness returns to the soul. It intensifies as we approach our new consciousness, constantly modulating between the two as we gain knowledge of our new surroundings. Could this be the paradise known as Heaven? Perhaps. I will let the listeners decide for themselves."
