

PROCLAIM THE MIGHTY POWER OF GOD! is a majestic setting of Isaac Watts' timeless lyric to the familiar and beloved English melody, FOREST GREEN. The opening introit and concluding coda should be presented in a strong, declamatory style. The second stanza should offer a strong contrast to the first and third stanzas with warm, legato presentation. This skillful arrangement by veteran composer/arranger Lloyd Larson is appropriate for use throughout the church year, and is equally effective with or without the optional trumpet obbligato.

For over 30 years, **LLOYD LARSON** has been an active composer and arranger for several major publishing companies of church and school music. His music compositions and arrangements number well over 1,500 published works – including choral anthems, numerous extended Christmas and Easter works, keyboard collections, vocal solo and duet collections, instrumental solo and ensemble publications, orchestrations, and handbell settings. It is his work in the local church, though, which continues to be the catalyst for much of his writing. He is an active participant in his own local church where he currently directs the adult choir in addition to regularly being involved in worship planning and leadership. He has worked in church music ministry for over 35 years, serving churches in Indiana, Ohio, and Minnesota.

Originally from central Illinois, Lloyd received a B.A. in music from Anderson University (IN) and a Master's degree in church music and composition from The Southern Baptist Theological Seminary (KY). He has done subsequent graduate work at Southern Baptist Seminary, Ohio State University, and Northern Baptist Theological Seminary (IL).

Lloyd is married to his college sweetheart, Marci. They have three children and four grandchildren. He makes his home in the Minneapolis, Minnesota area.
