Acknowledgments

I have had substantial help from many different sources in putting together this book and recording. First I would like to thank Aaron Stang at Alfred Music Publishing for his interest and support. It is largely through his efforts that this project got off the ground. Friend and guitarist extraordinaire Tim Ellis at White Horse Studios in Portland, Oregon, was instrumental in the recording of the CD. His ears, understanding, and sensibilities are all greatly appreciated. Thanks also to Sean Flora at White Horse for his computer expertise. A deep debt of gratitude goes to good friend Jim Jasmin of Digidesign for his generous support. As always, my biggest thank you goes to my family. They are the ones who deal firsthand with the countless hours of work that are required for me to produce a project like this. And, lastly, thanks to the actors in the original film for their inspiration, and to songwriter Harold Arlen for his memorable melodies that have translated so well to the guitar. —Mark Hanson

Many thanks to Marilee Bradford, Laura Lynn Broadhurst, Ned Comstock, John Fricke, and David Maxine.
