The names of the TREBLE SPACES spell FACE.

With one finger play and name each of these notes.

The names of the lines are EGBDF. If you practise saying these letters you will find they are quite easy to learn.

With one finger play and name each of these notes.

Write the names of the following notes.

Do you recognise these two notes?

NOTE READING:

Look for patterns and work out how this will sound before before you play.

Circle an interval of a 3rd.

In the red box write the letter name of the first note.
