

Pupille amate

(Lucio Silla)

Cecilio, a loyal friend of Consul Marius who has been overthrown by the dictator Lucio Silla, is in love with Marius' daughter, Giunia.

Pupille amate, non lagrimate,
Morir mi fate pria di morir,
Quest'alma fida a voi
D'intorno farà ritorno
Sciolta in sospir.

*Beloved eyes, do not weep;
You cause me to die prematurely.
This soul, so faithful to you,
Will return and circle about you
Dissolved in sighs.*
